**SUBMISSION OF REVISED APPLICATION DATA SHEET AND REQUEST TO  
CORRECT BIBLIOGRAPHIC DATA BASED THEREON**

Sir:

It has recently been brought to the undersigned's attention that the Office's bibliographic data was incorrect with regard to the applicants' priority claim.

In this regard, as was evidenced by the priority claims submitted pursuant to Rules 55 and 78 with the Preliminary Amendment filed concurrently with the subject application on June 26, 2006, the subject application is the US national phase of international application PCT/NL2004/000903 filed 23 December 2004 which designated the U.S. and claims benefit of PCT/NL04/00029 filed 1 January 20004 ("the priority '029 application").

The accompanying Application Data Sheet (ADS) submitted herewith under Rule 76 is intended to correct the Office's records and bibliographic information pertaining to such priority claim.

**SIMMELINK et al**  
**Serial No. 10/584,285**  
September 4, 2009

A request to correct the Official Filing Receipt is also being filed concurrently with this paper.

It is further noted from the Office's PAIR site that the World Intellectual Property Organization (WIPO) has transmitted the certified copy of the priority '029 application to the Offices records. As such, applicants' claim for priority to the priority '029 application has already been perfected. An acknowledgement of the same is therefore solicited.

### **Fee Authorization**

It is not believed that any fees are required. However, the Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14-1140.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
